The Federation of Obstetric and Gynaecological Societies of India has decided to have a Central Tumour Registry for the whole of India at three centres and Madras, Bengal and Bombay Societies have been selected to record and maintain the registry of tumours assigned to them as under:—

Dr. M. K. K. Menon, Ovarian Tumours.
480, Ponnamalle High Road, Madras 7.

Dr. C. Mukherjee, Chorion Epithelioma.
120/B, Lower Circular Road, Calcutta 14.

Dr. B. N. Purandare, Cancer of Body-Uterus.
Chowpatty Sea Face, Bombay 7—WB.

In order to make the registry a success, those who are interested in the Registry are requested to send relevant detailed information to the corresponding doctor for the registration of their material.

B. N. PURANDARE,
J. M. De Sa SOUZA,
Hon. Secretaries.

The Bombay Obstetric and Gynaecological Society invites THESIS OR ESSAY on "ANY ORIGINAL WORK ON HUMAN STERILITY" for the award of Dr. S. N. Bhansali Charitable Trust Prize for the year 1961. The value of the prize is Rs. 500/-. The Society also invites THESIS OR ESSAY on "PERINATAL MORTALITY" for the award of Dr. Herculano De Sa Silver Jubilee Prize for the year 1962. The value of the prize is Rs. 250/-.

The competition is open to Registered Medical graduates of Statutory Indian Universities and Registered Medical Licentiates of Examining Bodies in India. The entries should reach the Society's Office by Registered post by 1st November 1962, and 31st December 1962 respectively.

For rules governing the award of these Prizes: Please write to the Honorary Secretaries, Bombay Obstetric and Gynaecological Society, Purandare Griha, Chowpatty Sea Face, Bombay 7—WB.
