SILVER JUBILEE RESEARCH AWARD 1964

To commemorate its Silver Jubilee the Medical Council of India has created a Research Award Fund. The first award will be made in November/December 1964. This award would be open to all citizens of India and foreign Nationals who have spent considerable time for research in India, male or female, and who have distinguished themselves by outstanding original research in the field of medical and allied sciences. The value of the award would be Rs. 15,000/- and a Gold Medal which may be of the value of upto Rs. 1,000/-. These awards for the present will be presented once in two years at a ceremonial function at which the successful candidates would be required to make an oration.

The award will be made on the basis of nominations of candidates to be submitted along with copies of monographs or reprints of nominees' special study and research. These would be scrutinized by the Committee of Management as and when necessary and then it would make recommendations in due course. The decision of the Committee of Management of the Silver Jubilee Research Award Fund of the Council shall be final.

In the case of a joint research work the award shall be divided between the workers in such proportion as may be decided. The role of the person nominated for the award should be clearly indicated so as to make it easy to determine whether the major part of the work has been done by that person.

Nominators are requested to forward nomination forms complete in all respects as indicated in the instructions.

Blank nomination forms can be had from the Secretary, Medical Council of India, Kotla Road, New Delhi and completed nomination forms should reach him not later than 1st May 1964 through registered Post A. D.
