ANNOUNCEMENT OF A MEDAL AND AWARD

The International Society of Tropical Dermatology takes pleasure in announcing the establishment of the Castellani-Reiss Medal and Award, in honour of its founders, Aldo Castellani and Frederick Reiss. This Medal and an Award of \$1000 will be bestowed upon that member of the International Society of Tropical Dermatology who has performed the most outstanding research in tropical dermatology, geographic ecology of dermatoses and/or the underlying basic sciences, as set forth in an unpublished manuscript in the period between World Congresses. The first Medal and Award will be bestowed at the Third World Congress, to be held September 13-18, 1974 in Sao Paulo, Brazil, under the Presidency of Professor S. A. Prado Sampaio. For further information, please write to Professor Kasuke Ito, Chairman of the Medal Committee, Chief, Department of Dermatology, Gifu National University, Medical College, Gifu, Japan.
