

Announcement...

A novel feature of the Annual Conference to be held at Aurangabad in January 1984 will be a full Session of 1½ hours on **CLINICAL CASE PRESENTATION** with colour slides only. The time allowed will be 7 to 8 minutes.

Rare and unusual cases can be presented in this Session. Members who desire to participate in this Session should send the clinical history and discussion of the case material to the undersigned.

Dr. P. B. Haribhakti,
Chairman, Scientific Committee,
XII Annual Conference of I.A.D.V. & L.
1, Narayan Chambers,
Nehru Bridge Corner,
Ashram Road,
Ahmedabad 380009.

XII International Leprosy Congress, New Delhi

The XII International Leprosy Congress will be held in New Delhi from the 20th to 25th February, 1984. The President of India has agreed to inaugurate the Congress and Smt. Indira Gandhi will deliver the Key Note Address.

The Vigyan Bhavan has been chosen as the Venue for the Congress. Besides the regular Scientific Sessions, a new feature has been introduced at this Congress. Training and Teaching Sessions through Slide-tape presentation are being introduced to help the young leprologists and other workers.

For other details, please contact Dr. R. H. Thangaraj, Organising Secretary, XII International Leprosy Congress, 1 Red Cross Road, New Delhi-110001.

FELICITATIONS

To

Dr. Bhanu S Verma, Professor of Dermatology, M. S. University, Baroda for being appointed as Honorary Physician to the President of India.
