CONFERENCE ON MEDICAL JOURNALISM

The Indian Journal of Medical Sciences is now running in its 25th year of publication. The Board of Trustees have thought it fit to celebrate the occasion and organise the function of the Silver Jubilee, with view to bring together Editors of medical journals of India and if possible from abroad. The main purpose is to improve the educational value of the journals to the medical profession in India. The function will be held on 15th, 16th and 17th, of November in Bombay.

The following subjects will be discussed.
