

FROM THE DESK OF HONORARY GENERAL SECRETARY

This is for the general information of the members of Indian Association of Dermatologists, Venereologists & Leprologists to kindly note that:—

1. The mailing addresses sent by the members must be full and correct.
2. The members are expected to stick to ONE ADDRESS ONLY either of their residence or of clinics/hospitals etc. Changing address frequently or in the middle of an Association Year creates lot of unnecessary problems. This hampers not only other office works at all the offices but also mailing of Journal/letters, which are unnecessary delayed and/or misplaced.
3. Any important change in the mailing address must be informed immediately to the CONCERNED STATE BRANCH SECRETARY. Who in turn shall inform the Headquarter and Journal Offices.
4. From now on—NO DIRECT COMMUNICATION, in this regard, will be entertained by the Headquarter, except, in the case of DIRECT MEMBERS.
5. SUBSCRIPTION : In view of the last date being 31st March for the Central Fund Contribution and Journal Contribution to reach to the office of Hony General Secretary, it is advised to all the Ordinary and Associate Members of the Association to remit their subscription for the year 1990 to their concerned state offices well in time. So that the State Offices shall be able to send C.F.C. and J.C., on your behalf, to the Headquarter well before 31st MARCH, 1990 and you will not be deprived of your copy of Journal and Voting right as well.
6. Finally, all the members of our association are expected to motivate atleast ONE specialist of our specialty to join our association as NEW MEMBER. This will fullfill our target of 100% membership and will strengthen our association further. Any member whose membership was discontinued in the past may rejoin IADVL as fresh member.

STATE SECRETARIES TO PLEASE NOTE : that a circular to above effect must be sent to all the members immediately and without delay.

“Long Live IADVL”
