

IJDVL Awards 2017

Every year, the editorial team picks their choice for best article(s) in several categories published in the Journal in the previous calendar year. As you know, we have two different groups of awards – one for the Indian authors and another for our international contributors.

Here are the winning contributions from Indian authors for articles published in 2017.

Bishnupriya Devi Award for best Original Article

Mitra S, Pati AK, Manna A, Ghosh A, Sen S, Chatterjee S, Chatterjee M. A study of the free radical scavenging effects of Piper betle leaf extract in patients with vitiligo. *Indian J Dermatol Venereol Leprol* 2017; 83: 40-6.

Indubala Memorial Award for best article on occupational dermatoses/contact dermatitis
